Private Reception with Author, Lee Martin

A native of a small burg called East Bank, in the West Virginia coal fields, Lee Martin earned his B.A. in English from what is now **West Virginia State University** and was commissioned out of ROTC as a Second Lieutenant in the United States Army.

After attending the Airborne and Ranger Courses, he served in Vietnam as a Special Ops advisor and was awarded the **Bronze Star**, **Combat Infantryman's Badge** and **Vietnamese Gallantry Cross**. Colonel Martin is currently working on his 6th and 7th novels, one of which is the sequel to Wolf Laurel, his highly-acclaimed 4th work of fiction. In 2009, he published **Ten Minutes till Midnight**, the true life account of Denver's Crime of the Century—an event that eventually led to the founding of LifeCommercials. Lee has graciously donated all proceeds from the sale of the book to help further the work of LifeCommercials. Plan on attending the private reception with this

remarkable man 1-hour before our banquet on October 24th. Tickets are \$100 each and include dinner, the reception, and a copy of **Ten Minutes till Midnight**, signed by the author.

Be sure to make your reservations early and tell your friends about this special evening of music, comedy, and life changing stories!

Comedian, Daren Streblow

A favorite of Pro-Life groups nationwide, Daren Streblow brings his special brand of “Nightclub Tested, Pastor Approved” comedy to our banquet for the second time. Adults and children alike are sure to have a ball as Daren headlines the entertainment for our 5th Anniversary Celebration!

Musician, Tony Funderburk

As a mainstay at Pro-Life events for many years, most of us already know what a fabulous musician Tony Funderburk is. However, many are not aware that he has played almost every type of music imaginable during his 30 year career as a first class entertainer. On October 24th, with help from a few of his friends, Tony will entertain young and old alike.
